 - Talent Evenings
 - School Dramas
 - Mindfulness
- Field Trips in relation to History, Geography & Science
- Green School's Programme
- Active School's Programme
 - Maths Trails
 - Library Visits
 - Readathons

St. Mary's N.S.

Church Street, Templemore, Co. Tipperary.

Some background information:

- Our school is positioned in the town of Templemore, just out the Roscrea road.
- It is a co-ed school from Junior Infants to 6th Class, which means we cater for both boys and girls.
- Our school is under Church of Ireland management, but children of all religions or none are most welcome.
- If you have any queries regarding religion classes or preparation for sacraments we will be happy to discuss this with you.
- We enjoy the family atmosphere of a small rural school, but with the advantage of being in town.

What we can offer your child:

Our small classes mean that we can offer each child individual attention. We can help your child to reach his/her full potential in all areas of their development. We have always prioritised identifying and helping children with any individual needs.

I.T. and Learning

Our small class numbers enable us to provide enough laptops for use with individual classes at any one time. We have Interactive Whiteboards in both classrooms and in the Learning Support room.

School Uniform

The school uniform consists of any combination of a navy trousers/tracksuit/skirt/pinafore/leggings/cardigan/jumper and a white polo t-shirt.

Book Rental Scheme

From Junior Infants to Sixth Class a book rental scheme is implemented as far as is possible. This helps to reduce the booklist cost.

How to Enrol:

You may ring either the school office on 0504-32269 or the school Principal, Olwen Roe on 087 2479183. You can also just call in and we will be happy to arrange a time to show you around. **Please see the attached leaflet for information regarding our school open evening.**

Induction Afternoon:

Our new infants have a join-in afternoon one day in June so that they can become familiar with the teachers, the other children and the classroom.

Our Playground

We have climbing equipment in our playground which has a slide, a bridge and monkey bars. We also have a mural area which the children were involved in creating. The children have a grass area to play football and games and a tarmac basketball court. We also have access each afternoon to the next door parish hall, and we have a music sound system which the children use during some break times to play songs.
